Instructions

1. Stick this page onto a piece of card.
2. Carefully cut around the dotted lines with a pair of scissors. Ask an adult to help you with this.
3. Make a small hole in each side of the mask where indicated and thread some string through one hole and tie a knot.
4. Place the mask on your head and thread the other end of the string through the opposite hole (make sure it's not too tight).
